

# Textural Scarf

This pattern was designed to help new knitters become more comfortable with the knit and purl stitches and switching between them. The result is a basketweave scarf that changes pattern along its length. Giving an extra tug on the yarn when you switch from knit to purl and vice versa will help to prevent gaps between the pattern squares.

Materials: Approximately 200 yards worsted-weight yarn  
US8 (5.0mm) needles

Gauge: 4 stitches/5.5 rows per inch

Measure a 30" yarn tail; using the long-tail cast-on, cast on 30 stitches.
